Drop Off and Pick Up:

Participants should be dropped off at the Auburn University Band Practice Field (312 Beech St) prior to check-in and rehearsal on Saturday morning. They may be dropped off in the car line, or they may park and walk. **Instrument cases should be left in the car – Do not bring cases to the band field.**

Following rehearsal, students are free to spend time with their families/chaperones until it is time to march into the stadium. **AU Band staff will not be supervising students between the rehearsal and game time.**

There are several options for pickup following the halftime performance:

1. Parents/chaperones who are on campus or attending the game and leaving after halftime should meet students for pickup outside of Gate 0 (northeast side of stadium) at the beginning of the 3rd quarter. *Please note that after leaving the stadium, you will not be able to re-enter.*
2. Participants may remain in the Marching Honor Band seats, and wait for parents/chaperones to meet them during or after the game. There will be no staff escorts to the band field after the

game, so we recommend that only those students with parents/chaperones in the stadium stay after halftime.

3. Participants with cars at the band field will be escorted by our staff back to the band practice field following the halftime performance. Parents picking up students in cars should report to the band practice complex for pick-up at this time.

Please make your plan for exiting the game with your parent or chaperone before you arrive. It is very important that both the participant and the chaperone/parent are clear on when and where they will meet following the event. Make a plan ahead of time, and do not rely on your phone.

Medical information:

Parents/guardians will be informed of any emergency medical situation that occurs and will be responsible for all medical expenses incurred. Students with special medical needs or problems should provide the Auburn University Band Staff with a detailed written account. Auburn University is not liable in the event of an accident or personal injury.

Use of tobacco, alcohol, or “controlled substances” by students while attending the Auburn University Marching Honor Band is prohibited.
