

## 2022 Auburn University High School Honor Band Parking Information

Parking at Auburn University is challenging, as it is on most college campuses. We enjoy having guests on campus but parking can be a complicated during special events. Please follow the instructions and map below to avoid being ticketed.

\*Participants who are driving themselves will receive separate instructions\*

### **Sunday, June 12<sup>th</sup>** - Student Drop-off and Check-in

Drivers may drop students off in front of Goodwin Music Building, which is at 320 W Samford Ave. There will be signs directing you to the drop-off area. If you wish, you may pull into a loading zone or into the drop-off area in front of the theatre, next to Goodwin, but do not park there.

We will direct students straight to rehearsal from check-in, so parents/guardians do not need to park. If you would like to park, you may park in any A, B, or C zone on Sunday. You'll find plenty of spots in the stadium parking deck (marked on the map) but you may park in any other A, B, or C spot. **You may not park in these zones on weekdays.**

Pick up will be at Goodwin as well. You may pull into one of the three loading zones near our building. We ask that you move along quickly so that everyone can be picked up in a timely manner. If you prefer to park and walk to meet your student that is fine as well.

### **Monday, June 13<sup>th</sup> – Tuesday, June 14<sup>th</sup>**

Students should be dropped off and picked up at Goodwin Music Building using the same procedure. We ask that you do not park on campus during these times. If you would like to spend time on Auburn's campus, there is ample parking downtown with street parking and our two large parking decks.

There will be a section recital Tuesday evening in the band room at 6:30pm. Parents who wish to attend may park in the stadium parking deck, or any A, B, or C spot. This is allowed after 5:00pm.

### **Wednesday, June 15<sup>th</sup>**

The final performance will be at the Gogue Performing Arts Center, at 910 S. College Street. For our final rehearsal, you may drop your student off at the front of the building in the drop-off

loop. **Instrument cases should be left in the car.** The doors will open at 10:30 and there is ample parking available in the audience parking area to the north of the building. Do not park directly behind the building, or in the drop-off loop.
